FINANCIAL POLICY 2023-24

The educational program offered at Stockdale Christian School is funded on a strict annual operating budget. For the school to maintain fiscal stability, it is vital that each family remit monthly tuition payments in full as specified. All families must agree and sign the financial agreement form.

SCS reserves the right to refuse continued class attendance if an account balance becomes delinquent. Report cards and other official documents may also be withheld until the account has been paid in full.

Automatic Monthly Billing

All registration, tuition, daycare charges, and any other incidental fees must be paid online using an automated FACTS tuition account.
